Subject index

Academic procrastinators, exploring volitional problems 733–748
Academic Volitional Strategy Inventory 784–790
Accountability 459
Achievement motivation 754, 758–772
Action control strategies 778
Action identification theory 735, 741
  procrastination 743
Adolescence, school transfer 327, 369, 388, 394, 427, 433
Adult development, pre-service teachers, dreams and goals 131–134, 201
Affcon 660, 662
Affect regulation 692–696
Affective teacher education 209
Alternative schooling, India 242
Anxiety
  motivational traits 756, 761–772
  school transfer 347, 350
Aptitude 660
Australia
  circuses as cooperative communities 297–307
  early childhood education and care, expenditure 97
  educational practice in circus 1847–1930 285–295
  power/knowledge, education of show people 309–318
Austria, early childhood education and care
  auspice, age, locus of care, quality, access 20
  maternity/paternity leave 14
  policy dimensions 16

Basic education, India 241, 242
Belgium, early childhood education and care
  auspice, age, locus of care, quality, access 20
  maternity/paternity leave 14
  policy dimensions 16
Berth schools, Netherlands 277
Bridging units 446

Canada, early childhood education and care
  auspice, age, locus of care, quality, access 20
  enrollment rates 99
  expenditure 97, 98
  parental leave 14
  policy dimensions 16
Case study research, pre-service teachers' dreams and goals 135–211
Child-care, OECD 9, 10, 12, 23
  costs and benefits 95–120
  financing 75–93
  regulation 55–72
  staff training 31–53
Child minding 25
China, linguistic minority education 593–600
Chinese, educational opportunities in Malaysia 585–590
Circuses, Australia
  as cooperative communities 297–307
  educational practice 1847–1930 285–295
  power/knowledge and education 309–318
Classrooms
  as learning environments 375–382. 386
  development of self-regulated learning 821–842
Competitive excellence 755, 761–772
Comprehensive schools, Finland 383–399
Comprehensive system, Scotland, exclusion of Travellers 257
Conative cycle 677
Continuous learning environment 384, 396
Cooperative communities, Australian circuses 297–307
Croatia, refugee education 611–619
Cross-country comparisons, early childhood education and care 61, 65
Culture and professional environment, student teachers 477, 482
Curriculum changes, Latin America 467
Curriculum continuity, school transitions
  England 343, 347, 351, 446
  New Zealand 370
Curriculum for teacher education 494, 497
Czech Republic, early childhood education and care
  expenditure 97
  parental leave 14

PII: S0883-0355(01)00030-1

Day care 8, 23
Denmark, early childhood education and care 33
  auspice, age, locus of care, quality, access 20
  enrollment 99
  expenditure 97, 98
  integrated programs 24
